

## SUMMARY

As a goal-driven and motivated third-year student at Father Agnel's Institute of Technology, pursuing a degree in Information Technology, I am committed to leveraging my skills in web development, creativity, business, leadership, teamwork, strategic thinking, and soft skills to drive efficient and innovative solutions. I continuously strive to expand my knowledge, refine my abilities, and embrace new challenges with curiosity, adaptability, and resilience, pushing my limits to achieve excellence in everything I do while contributing meaningfully to every project, team, and opportunity I undertake.

  - C - Intermediate
  - Java - Intermediate

---

# PROFESSIONAL EXPERIENCE

---

## Vijay Shekhar Academy

### Teacher Assistant | 2023

- Created and evaluated 20+ question papers to ensure fair assessment and delivered constructive feedback to support student learning.
- Provided one-on-one mentorship to 30+ students, fostering confidence and clarity in complex subjects.
- Assisted in curriculum planning and topic selection to align with academic goals and improve student comprehension by 15%–30%.
- Received a Letter of Recommendation for commitment to education and effective student engagement.

---

## Pawzzitive Welfare Foundation

### Digital Marketing Intern | 2024

- Gained practical marketing and communication skills by promoting campaigns focused on animal welfare.
- Played a key role in fundraising efforts, helping raise approximately ₹10,000 to support animal care initiatives.
- Applied digital outreach strategies to engage 1000+ donors and spread awareness across social platforms.
- Collaborated with team members to develop content and strategies for social media campaigns and donor engagement, which led to increased engagement by 5%.
- Received a Letter of Recommendation for dedication, initiative, and impact during the internship.

---

## VanillaKart

### Web Development Intern | 2024 - 2025

- Gained hands-on experience in web development and digital marketing, contributing to both technical and content-driven projects.
- Assisted in creating and optimising 100+ product descriptions and 30+ blog posts, resulting in a 20% increase in user engagement and a 15% improvement in SEO performance.
- Collaborated with senior developers on 5 live projects, sharpening both technical capabilities and team collaboration skills.
- Successfully completed the internship and received a Letter of Completion in recognition of contributions.

---

## Finnfluent Education

### Digital Marketing Intern | January 2025 - February 2025

- Designed and executed 15+ high-impact social media creatives aligned with brand goals.
  - Authored 4 PR articles and contributed 30+ SEO backlinks across Quora, Reddit, and media sites.
  - Conducted competitor analysis, developed a structured marketing canvas, and wrote guest posts to build thought leadership.
  - Led organic lead generation campaigns on LinkedIn and Facebook.
  - Received a Letter of Recommendation for outstanding performance and strategic contributions.
-

E-CELL, Fr. C. R. Institute of Technology

Events Team | 2024 - 2025

- Planned and coordinated key E-Cell events, ensuring seamless execution and high engagement.
- Participated in an outreach program at Father Agnel’s Junior College to promote entrepreneurship.
- Co-organised flagship events “Spark-A-Thon” and “E-Summit 2025,” featuring competitions, speaker sessions, and startup showcases.
- Supported the execution of multiple workshops, competitions, and panel discussions focused on innovation and startups.

Secretary and Startup Coordinator | 2025 - Present

- Leading communication, documentation, and coordination for all entrepreneurship cell activities.
- Mentoring new team members and assisting startups with early-stage planning and ideation support.
- Spearheading external collaborations and partnerships to bring industry insights and opportunities to the student community.
- Continuing involvement in outreach and flagship event planning to promote an entrepreneurial mindset among peers.

Arms Robotics

IT Engineer Intern | June, 2025 - July, 2025

- Built and deployed a fully functional website integrated with company hardware systems for live data interaction.
- Contributed to IT, AI/ML, and embedded systems projects at Vantara Animal Kingdom, Reliance Refineries (Jamnagar).
- Assisted in system integration, software development, troubleshooting, and electronics circuit design.
- Gained hands-on experience with communication protocols and industrial automation systems.
- Received a Letter of Recommendation for exceptional initiative and technical contributions.
